

**BOEHRINGER INGELHEIM LTD (BIL)**  
**Advances in Non-Small Cell Lung Cancer Meeting**

**Monday 8th July 2019 – 09.00 – 17.00**  
**Amba Hotel, Charing Cross, London**

Join colleagues and expert speakers at the **Advances in Non-Small Cell Lung Cancer Meeting** to be held in central London.

- This meeting is an **educational forum for members** of the **Multi-disciplinary team** who are involved in the care of patients with Non-Small Cell Lung Cancer (NSCLC) in the UK.
- The meeting will consist of formal **lectures and interactive sessions** to discuss interesting case studies with an expert panel of invited faculty that include: histopathologists, medical and clinical oncologists, a nurse specialist and a respiratory physician.
- We have gained **CPD approval of 4 points** from the **Royal College of Pathologists** for delegates attending the meeting.
- BIL is providing free registration including attendance at the meeting, tea and coffee breaks and lunch.
- BIL will not be covering travel costs or accommodation.

**What are the key topics?**

Our expert speakers in their respective fields of NSCLC have been selected to present on the following topics:

- **Prof John Gosney:** *Meeting Chair*
- **Maria Guerin:** *Challenges in Specialist Nursing in NSCLC*
- **Dr Matthew Evison:** *Tissue Acquisition in Advanced NSCLC*
- **Dr Phillipe Taniere:** *Liquid Biopsies – The Advancing Technology*
- **Prof Keith Kerr:** *New NHS Genomic Strategy – Impact*
- **Prof Dean Fennell:** *Colonial Evolution and Mechanisms of Resistance*
- **Dr Fiona McDonald:** *Oligo Metastatic Disease and its Management*

**Who should attend?**

- This is a multidisciplinary meeting of interest to all those involved in the care of patients with NSCLC. Delegates may include; **specialist nurses, clinical and medical oncologists (consultants and registrars), pathologists and histopathologists.**

**How can I register my interest?**

Please see registration form below.

If you require any further information please do not hesitate to contact us.

Dr Claire Farrow  
Medical Advisor, Oncology
