The ROYAL SOCIETY of MEDICINE

Book online at:

www.rsm.ac.uk/events/ocm03

Venue

Royal Society of Medicine,
1 Wimpole Street, London W1G 0AE

[t @RoySocMed](https://twitter.com/RoySocMed) [f /RoyalSocietyofMedicine](https://www.facebook.com/RoyalSocietyofMedicine) [in Royal Society of Medicine](https://www.linkedin.com/company/Royal-Society-of-Medicine)

About this event

This meeting will focus on the latest updates on the scientific, clinical, and psychosocial aspects of breast cancer in young woman and the multi-disciplinary management of these cases, considering that the patients are at the peak of their careers, social life and reproductive years.

Understand how to advise on supportive care and survivorship issues, including fertility, menopausal concerns, body image, sexual functioning, genetic risk, and psychological health.

Sylvia Lawler prize

Topic: Young people with cancer

Abstracts are invited from scientists and clinicians in training, themed on a clinical or basic scientific research project. Two prizes will be awarded for the **best scientific paper** and the **best clinical paper**.

Submission deadline: Monday 22 April 2019

Meeting date: Monday 17 June 2019

Prize: Two prizes of £250 to oral presenters and two prizes of £50 voucher to poster presenters

Open to all scientists and clinicians in training.
