

## Conference Programme

*King's College London Guy's Campus, London SE1 9RT*

*Saturday, 4 February 2017, 0900 – 1730*

A national, student-run event which aims to celebrate the exciting and dynamic field of oncology, through world-class speakers, interactive workshops, and thought-provoking discussion. The conference will provide an opportunity for students to engage with the many facets of oncology thus inspire a generation of future doctors.
