

MEET THE SPEAKERS

Dr Alfred So, Medical Oncology Registrar, Barts Health NHS Trust & NOTCH Chair, NOTCH

When: Thursday 16th April, 11.50am

Session: Future of Oncology- Empowering patient involvement in Cancer Care

Topic: NOTCH

Alfred is the current chair for NOTCH (National Oncology Trainee Collaborative for Healthcare research) and a Medical Oncology Registrar based in London. He completed his MBChB and MRes Oncology at The University of Manchester, and will be starting his CRUK CoL funded PhD with UCL/KCL.

He has a particular interest in medical education, thoracic oncology, predictive modelling, and novel radiological biomarkers. He has been involved with NOTCH since 2024 and is the project lead for REAL-SAIF. He is enthusiastic in expanding the NOTCH network and fostering future collaborations to make research in oncology more accessible.
