

## MEET THE SPEAKERS

**Dr Dan Monnery**, Consultant in Palliative Medicine and Clinical Lead for Palliative and Supportive Care, Clatterbridge Cancer Centre

**When:** Saturday 18<sup>th</sup> April, 9.45am

**Session:** Late Effects and Survivorship

**Topic:** Models of late effects management

Dan Monnery is a consultant in palliative medicine and clinical lead for palliative and supportive care at The Clatterbridge Cancer Centre in Liverpool, UK. He is the sitting president of the UK Association of Supportive Care in Cancer (UKASCC) and the co-chair of the national collaborative on Enhanced Supportive Care (ESC) having been the NHS England national clinical advisor from 2021-22.

His clinical work focusses on early symptom intervention through integration of supportive care services and has a special interest in development of service models and quantitative outcome measures in survivorship care.
