

**UKSMO** UK Society  
for Medical  
Oncology

**ACP (UKSMO)  
Conference 2026  
Birmingham, 16-18th April**

## MEET THE SPEAKERS

**Professor David Snead**, Consultant Cellular Pathologist, University Hospitals Coventry and Warwickshire NHS Trust

**When:** Thursday 16<sup>th</sup> April, 10am

**Session:** Future of Oncology - Artificial Intelligence

**Topic:** AI in Histopathology

Professor Snead is a consultant cellular pathologist at the University Hospitals Coventry and Warwickshire NHS Trust (UHCW). He has been in post at Coventry for 27 years.

He has sub-specialised in pulmonary pathology for over 20 years and is the Royal College of Pathologist's specialty advisor for pulmonary and thoracic pathology.

He is an international expert in the use of digital pathology, having led Coventry to be one of the first hospitals in the world to switch to digital pathology for routine diagnosis. In 2023 he co-founded Histofy a company producing AI solutions for digital pathology. After boot-strapped investment of £1m the company aims to complete its seed round funding shortly and is launching its first products on to the market in 2026.
