

MEET THE SPEAKERS

Mark Compton, GI Marketing Strategy Lead, Bristol Myers Squibb

When: Saturday 18th April, 3.30pm

Session: Personal Development: Working with Industry

Topic: Working with the pharmaceutical industry in oncology

A University of Bath alumni, I am entering my 13th year in the pharmaceutical industry, with experience across multiple roles and therapeutic areas.

My background includes cross-functional collaboration, strategic delivery, and launch excellence across the product lifecycle. I was honoured to be voted UK/Ireland C2C4C Captain for 2023–2024.
