

## MEET THE SPEAKERS

**Professor Robert Jones**, Professor of Clinical Cancer Research, University of Glasgow

**When:** Saturday 18<sup>th</sup> April, 2pm

**Session:** Clinical Trials through the Lens of Early Career Consultants

**Topic:** Trial set up from EOI to Site Visit

Rob Jones is Professor of Clinical Cancer Research at the University of Glasgow and a Consultant medical oncologist at the Beatson West of Scotland Cancer Centre.

He has a PhD in molecular biology and time spent working in Pharmaceutical Research and Development.

His clinical practice is the medical management of cancers of the prostate and bladder and he has taken part in many of the groundbreaking drug trials in these diseases over the past 20 years. He is director of the Glasgow Oncology Clinical Trials Unit, and head of the Cancer Clinical Trials Unit for Scotland collaboration (CaCTUS).

He is a past chair of the UK National Cancer Research Institute Bladder and Renal Cancer Research Group and the Advanced Prostate Cancer subgroup.
